made, and not necessarily do harm as some may think. I appreciate your thoughts on this and let's pass it on to Select File, and anything needs to be changed or you want to reject it then, I guess that's your wish. Like I say, the Commission also acted on this. The Commission recommended it. Jim Cudaback does not want credit for this. It's a commission...it's you...it affects everyone, not just one person in the state of Nebraska. Even Senator Chambers can even run for office, if he wants to run for Auditor, Treasurer, the Governor or whatever, and he may be elected. He may surprise himself, and the good people in Omaha, too. So, Waverly, Kearney, Nebraska, Riverdale...who knows. If they want to drive that far, I guess so be it. With that, I appreciate your vote. Thank you.

SENATOR CROSBY: Thank you, Senator Cudaback. You've heard the closing. The question is the advancement of LR 8CA. All in favor vote aye. Opposed no. We're voting on LR 8. Have you all voted? Senator Cudaback.

SENATOR CUDABACK: Madam President, I guess I'll have to call the house and...got to.

SENATOR CROSBY: There's a request for...

SENATOR CUDABACK: I stutter once in a while.

SENATOR CROSBY: Thank you, Senator Cudaback. Record, Mr. Clerk.

CLERK: 25 ayes, 2 nays, Madam President, on the advancement of LR 8CA.

SENATOR CROSBY: LR 8 advances. Do you need any time, Mr. Clerk? We will continue with General File. LR 47CA.

CLERK: LR 47, Madam President. (Read brief summary.) It was originally introduced by Senators Withem, Kristensen, and Warner. It was introduced on January 15 of this year, at that time referred to the Government Committee. The resolution was advanced to the floor. I have no amendments to the resolution at this time.
